THE BIONDI SANTI FAMILY

Zafferano Restaurant Singapore has been given the privilege to become the brand ambassador of the Biondi Santi in Singapore. The restaurant features an exceptional range of vintages, selected specially by the winery and the restaurant's sommelier to create a long impression for true Brunello connoisseurs.

The story of Brunello del Greppo begins with Clemente Santi, who owned vast estates in Montalcino and Pienza and dedicated much of his activity to agriculture, particularly to a farm called Greppo that was owned by his mother, Petronilla Canali. In 1869, "a select red wine (Brunello) of 1865" from Tenuta Greppo was highlighted and received a prize at the Agrarian Exhibition in Montepulciano. This marks the birth of Brunello, characterised by such longevity, later cemented with the two historical Reserves of 1888 and 1891. Clemente Santi's daughter, Caterina, married Jacopo Biondi. Their son, Ferruccio, inherited his maternal grandfather's passion for wines and vines. In 1932, he was described as the inventor of Brunello by an Interministerial Commission, which studied the Chianti district, including Montalcino.

Ferruccio's grandson, Franco Biondi Santi, an oenologist graduate learned the subtle art of vinification from his family and continued to run the Greppo Estate since 1970 with its unequalled collection of Reserve bottles. He continued to pursue strict, traditional agronomy and cellaring practices to improve the quality of Brunello del Greppo. He was convinced that he could equal his great 100 year-old Brunello Reserves. Today, Brunello di Montalcino Biondi Santi is at the pinnacle of its fame and splendor, enjoying the very highest esteem of the world's most attentive and refined connoisseurs.
