RESTAURANTS TO BOOK FOR VALENTINE'S DAY THIS YEAR

Published January 25, 2018

It might be about two weeks till Valentine's Day but you know what they say, the early bird catches the worm. We reckon that with the Lunar New Year so close to V-Day, restaurants everywhere will be booked early.

So, as not to disappoint your date, make your reservations early! Here are some restaurants we recommend in Singapore:

Zafferano

If you're planning a super romantic dinner date, book a table at Zafferano.

Not only do they offer up great Italian food, they've also got stunning views of the city skyline — especially since they're located on the 43rd floor of the Ocean Financial Centre.

This Valentine's Day, the restaurant's Ti Amo five-course dinner includes seafood dishes inspired from all around the world.

For more information about their menu and to make reservations, be sure to visit their website, [here](#).

10 Collyer Quay, Level 43, Ocean Financial Centre
