### *The excellence and uniqueness of Spirits*

Excellence and Uniqueness, these are the words enthusiasts and trade members currently use at Samaroli tasting sessions; Silvano S. Samaroli is not an independent bottler like the others, as he was the first non-Scottish independent bottler ever; his career is therefore unrivalled and his credibility has built up in the field. Distilleries always send the best of their production for his consideration. Like a judge, an expert tailor who can imagine the finished garment when looking at the fabric swatch, Samaroli chooses whether to use a new or old cask, calculating the ageing time to obtain asymmetry, harmony and rhythm.
